

## **Captains Report for AGM 2021**

I would like to start my report for 2021 with a big thank you to all the members of the Committee and all the Oxford Golf Captains who took part in any of the Competitions and matches throughout the year. Without you all, my year as your Captain would not have been possible or as enjoyable. Thank you for making it a great golfing year, for me , and all the members / visitors.

The golfing year was delayed and re arranged because of Covid. We finally managed to clean our clubs off and pack our bags for the Cornwall trip in May. There were reduced numbers for the year, but a great time was had by all and the team managed a clean sweep of wins on the tour. Lets hope that in 2022 we can get back to 32 golfers for the trip.

Matches started in June with a visit to Berkshire - the only event I missed in 2021, it ended up a busy year from then and I managed to play in all of the remaing 29 events both at home and away. The results have been documented and everyone should be aware of the breakdown. However, in my opinion the result was secondary to the enjoyment we all had throughout the year, and all the new friends we made.

I would also like to thank Oxford Golf Club for hosting my Captains Day in July, we had a fantastic day with nearly 50 golfers supporting the event. The weather was kind to 80% of us, with only the last 3 groups getting caught in a rain shower.

We ended the year with our good friends from Cornwall. The 3 matches we played had over 30 different member taking part. The final night at Chipping Norton been a fitting end to 3 great days of golf and comeradery .

Sadly we did lose some good friends throughout the year and are thoughts and best wishes go to their families.

I believe Oxford Golf Captains will go from strength to strength and we have now enrolled 11 new Captains in 2021, and I am please to advise all the members that Mapledurham Golf Club have been added to our great society.

Finally I would like to wish everyone a very Happy Christmas and New Year, also to wish Rob all the best for 2022 as Captain
